The Ohio State University  
Pistol Club

**Notes on use:** Shoot five rounds in two minutes time, followed by a second string of five rounds in two minutes.

**Notes on score:** Each shot that hits the target is awarded the points indicated in that ring. If a shot lands on a line, the shooter is awarded the higher value.

**Notes on qualification:** As this target is based on an official NRA target, this can be used for earlier stages of qualification. However, official targets must be purchased for higher ranks. For further questions refer to the NRA literature.
